ABOUT US

Jordyn Petherick ★★★★★

We hosted my grandfather's celebration of life at Hosel Rockets over the summer, and I can't say enough good things about the experience. From the very beginning, Cam was incredible, answering all of my questions, tailoring the event exactly to what we wanted, and checking in along the way to keep everything on track.

When the day finally came, Hosel Rockets was nothing short of amazing. The team truly worked their buns off to make sure every guest was welcomed, comfortable, and always had a drink in hand. Their entire staff is so kind-hearted, and you can genuinely feel how much love they've put into this place. The food deserves a major shoutout. The chicken and waffles, smash burgers, salad, homemade pork rinds, everything was incredible. Brad, their chef, is not only unbelievably talented but also so kind and attentive. Everyone could not stop talking about how amazing the food was!

Hosel Rockets is not your typical golf simulator. It's elevated, thoughtful, and truly a place meant for spending time with the people you love. We had guests of all ages, and the staff made every single one feel cared for. I'm so grateful for the effort they put into making our event so special. Highly, highly recommend!!

I coordinated our office Christmas party at Hosel Rockets this year which was a huge success! Brad and Erica were incredible to work with in the planning process and our event day went incredibly smooth. Our employees enjoyed the atmosphere, food, service and most importantly - the golf!

I would highly recommend considering Hosel Rockets to host your event.

Went to Hosel Rockets for a chamber of commerce luncheon, and the food was delicious! I also got a chance to meet and talk with Brad, one of the co-founders, who was awesome to talk with...very down to earth and personable. The environment and atmosphere is very inviting and roomy, so even when the place is packed it's got plenty of space to socialize. Highly recommend Hosel Rockets.

Liz ★★★★★

Had my husband's 50th birthday party here. The event planning was so easy and the food was incredible! I received so many compliments on the food, drinks, service and venue, which I wanted to make sure were shared. Thanks for an incredible, memorable evening!

Teddy Bleich ★★★★★

Went here for a Buddy's going away party and was floored with the quality of this place. Everyone was impressed with the food and drinks at a golf simulator. The pricing was a good deal across the board. Got the recommendation from my buddy Randy and was not disappointed in the slightest.

Lisa Graziano ★★★★★

Every year we host our small business holiday party at a new activity-based venue. Not being big golfers ourselves, we were a bit reluctant to choose an indoor virtual golf venue. The activities, food, decor and staff exceeded our expectations. The golf had options for all skill levels and everyone fully participated and enjoyed the experience. The food was far from bar fare. The assortment of menu items we chose for the buffet were very tasty, hot, fresh and plentiful. Most impressive, was the waitstaff that provided exceptional service to our group. Thank you, Hosel Rockets, for a perfectly entertaining and delicious experience... and yes, the cocktails were wonderful!

Dr. Brauer's Family Adventures ★★★★★

ABOUT US

Hosel Rockets Golf & Whiskey Lounge was founded by five close friends, Brad Schmidt, Cam Schmidt, David Sowle, Myke Schmidt, and Stephen Learman, who are deeply rooted in the local communities. As local residents with growing families, the co-owners envisioned a space that felt like a "second home course" where their own families and neighbors could gather year-round. Driven by a shared passion for the game, they built the lounge to elevate the indoor golf experience in Southeast Michigan, combining professional-grade technology with a welcoming, community-focused atmosphere. For the founders, the business is a way to give back to the place they call home, fostering a vibrant local hub where players of all skill levels can connect, compete, and carry on the tradition of golf alongside excellent food and drink.
